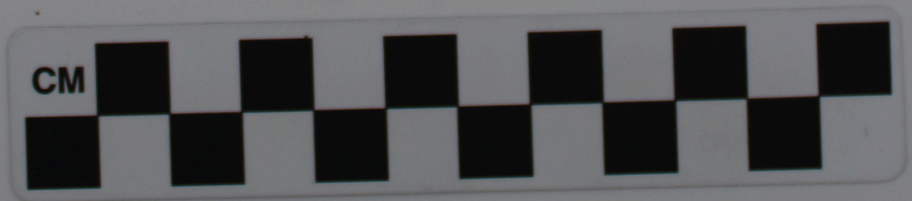
My dear Mrs Grandy

We were so glad to get yours and Helens letters and I hope it will not be long before you make us a visit. It will not be safe for you to surprise us for we have a few friends to visit you and you might have your trip for nothing. Send us word two or three days before hand so that we will be sure and get it. Bessie takes her Agriculture Tuesday and Friday any other day will be all right. That you can come Get round trip tickets and be



sure and get transfers north on Fair Oaks. Transfer at Oneonta and tell the conductor you want to get off at Monterey. He may not get around as it's only a few blocks if he does not go to him or he may carry you by. Go east on Monterey till you get to Milan. Ours is the second house from the northeast corner.

You have more confidence in Mr. Green than we have and Mrs. Callahan is still able to have his own way. Bessie did not think of applying for the school but she met Dr. Jacobs and he wanted her to see Mr. Green right away and said they were going to treat her better than they had done and Mr. Green said he intended to work for her and a few days after he sent a note saying her contract was cleared. He may think he is working for the good of the school Mrs. B. needs the please but it is not for the good of the school to keep her. She and Mrs. M. were at the bottom of Mr. Lindermans discharge and they worked to get Bessie out after she took sides with him. They were whispering together every chance they had and kept the Grubbs informed and I think tried

to influence the other teachers but did not succeed very long Bess was glad to get out of that building and we are glad to be out from under the whole bunch of trustees. Dr Jacobs has no backbone to stand up for what he wants. I washed my hair and it is dry now and I must get it combed. I was at Long Beach a few days ago to see one of my Arizona friends. Tomorrow we are going to Balboa to stay over Sunday with Harry and family They have rented a cottage for two weeks and are spending his vacation there. Next week Saturday our Temple Arizona Picnic will be at Eastlake Park and of course we want to be there. Wednesday and Thursday we will be at home

Sincerely Mrs Archibald
